

FLOORING CARE

Carpet

- **Vacuum** thoroughly and frequently
- **Clean spots and spills quickly** with products that do not damage the carpet (check with your carpet manufacturer)
- **Professionally deep clean** your carpets every 12 to 18 months to remove embedded dirt and grime.
- **Stop dirt at the door** by using mats outside and in, taking your shoes off when you enter the house and changing your air filters to reduce airborne dust particles.

Luxury vinyl plank/tile (LVP/LVT)

- **Sweep** regularly to remove dirt and debris
- **Mop** up spills promptly to prevent stains
- **Cleaners** check with the manufacturer for recommended cleaners that are safe for your floors. Do not use bleach-based cleaners.

Laminate

- **Sweep** regularly to remove dirt and debris
- **Mop** up spills promptly to prevent stains
- **Cleaners** check with the manufacturer for recommended cleaners that are safe for your floors. Do not use bleach-based cleaners. Do not over saturate.
